nutrients

(<https://www.mdpi.com/journal/nutrients>)

Nutrients (ISSN 2072-6643, IF 4.546) is an open access peer-reviewed scientific journal publishing reviews, regular research papers, and short communications on all aspects of nutrition (<https://www.mdpi.com/journal/nutrients>). Nutrients Editorial Office invited the Organizers of the FoodOmics Conference to set up a special issue. All Conference participants are invited to submit a manuscript (research article or review) for publication in the special issue.

Deadline for submission is December 31st, 2020. The Nutrients Editorial Office pays attention to the FoodOmics participants contributing to the success of the special issue and offers a **30% discount on the open access fee to the speakers selected for the oral presentation and 10% discount to all participants.** In addition, two abstracts will be selected for the “Nutrients prize” and the winners will not pay any fee for publication of their manuscripts (upon acceptance after peer review). Winners will be announced at the end of the Conference. Submission to the Special issue is not limited to FoodOmics participant, so please disseminate it among your colleagues. Thank you.

foods

an Open Access Journal by MDPI

<https://www.mdpi.com/journal/foods>

Foods (ISSN 2304-8158, IF 4.092) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, Foods has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus (<http://www.mdpi.com/journal/foods>). A special issue of Foods (Guest Editor: Domenico
